# MOGRANI DEVONS

This year we will present a younger draft of bulls although come August they will be ready to go out to work, they are presenting well and have been prepared predominately on pasture although have had some supplementary feeding through the dry times.

This year we have 4 Devon Bulls for sale along with 2 Devon/Charolais bulls and 1 Charolais, we will also offer 2 Registered Devon Females.

This will be the last year we will have Kippax Valley Fonzy sons on offer, he has produced some outstanding progeny for Mograni Devons with a number of sale Bulls and members of our show team including the junior Champion Female and reserve Senior Female at this years Sydney Royal and has sired a number of winning sires progeny teams.

The Devon/Charolais cross continues to produce cattle with improved carcass value while maintaining softness, we have entered steer/carcass competitions with this line with some success and will have both females and steers for competitions later this year.

**REFRESHMENTS AND LUNCH  
WILL BE PROVIDED ON THE DAY**

**Mograni Devons**  
**219 Mograni Creek Road, Gloucester**
